

BASIC BALANCE & REVITALISE

Prolonged stress can result in constant fatigue, low immunity, blood pressure issues and emotional states of apathy, despair and irritability. The Basic Balance & Revitalise program is Kamalaya's mid-level stress and burnout program and is designed to calm the nervous system, replenish energy, and support recovery from burnout. A naturopath, Traditional Chinese Medicine practitioner and Life Enhancement Mentor will aid you in identifying and addressing stressors in your life and provide practical techniques to restore your mind-body balance. Energising and healing treatments include Ayurvedic massage, and bioresonance therapy.
