

IDEAL WEIGHT

Maintaining a healthy body weight is integral to a healthy mind-body balance. The Ideal Weight program incorporates a holistic lifestyle and metabolic approach to achieving your desired weight. It includes nutritional guidance, one-on-one personal fitness training and holistic therapies. Far Infrared Sauna sessions and Chi Nei Tsang stimulate blood circulation, boost metabolism and promote the detoxification and elimination process. Ideal Weight is designed to create new fitness habits and map out a long-term weight management strategy. It is suited to anyone seeking weight optimisation, wishing to balance blood pressure and cholesterol, or wanting to be more empowered in living a healthy lifestyle.
